

PRESS RELEASE – DLA ENERGY AWARDS FUELS MANAGEMENT CONTRACT

Westminster, CO - *(October 1, 2012)* Corporate Allocation Services, Inc. (CAS), a leading management and technical support services provider, announced it has been awarded a contract with the U.S. Air Force (AF) Defense Logistics Agency (DLA) to provide fuels management services to include operations and maintenance of petroleum products and other fuels at Vandenberg Air Force Base. CAS will provide services necessary to manage the requisition, receipt, storage, issue, handling, quality control, and accounting of relevant petroleum and other fuels.

The competitively-awarded, five-year contract commences November 1, 2012. "CAS is honored to be selected by the Defense Logistics Agency – Energy to provide the Department of Defense and other government agencies with comprehensive energy solutions in the most effective and efficient manner possible and we look forward to continued operational success with DoD," said Todd Bontrager, CAS Senior Vice President.
